

JUNE 25, 2019

Dear Valiant Charter School Families,

It is with sorrow and heavy hearts that we are informing you of the closure of Valiant Academy Los Angeles (AADUSD), Charter Number 1677, effective June 30, 2019.

Please be assured that Valiant will assist you and all Valiant families to ensure your child is supported in finding a new school for the school year.

Parents and guardians of students may request records and transcripts through the following procedures:

**Transcripts for Senior High School Students:**

Transcripts may only be requested online through Parchment.com. Requests may take up to 10 business days to process. Progress of your request can be tracked in your Parchment.com account.

**Student Cumulative Education Records:**

Schools or School Districts requesting student records to be sent directly to a new school of enrollment may request school records by faxing a request to 855-636-0544. Parents or guardians may request a copy of school records by email. The request should be sent to registrar@a3ed.org. General questions regarding student records may be sent via email to registrar@a3ed.org.

There are numerous charter schools in California that may accept transfer students and, of course, students may return to their original school of attendance if desired. The California Department of Education's School Directory is the best source to identify schools in your area for enrollment. Please visit <https://www.cde.ca.gov/schooldirectory/> or <https://www.cde.ca.gov/ds/si/cs/ap/lists.asp> for school information in your area.

A limited number of staff will remain through July 31, 2019 to answer questions and provide assistance related to the above information. Please feel free to contact the office by email at registrar@a3ed.org and your question will be routed to the correct individual to help.

After July 31st, questions or requests for documentation should be sent to the Los Angeles County Office of Education at (562) 922-6111 or [www.lacoe.edu](http://www.lacoe.edu)

We wish you and the children you care for the very best in the future.

Sincerely,  
Valiant Charter School Faculty and Staff
